

Physical Science

Waves: Light and Sound	2
Vibrate and Make Sound	4
Investigate Sound	6
 Think Like a Scientist Plan and Investigate	8
Sound Makes Things Vibrate	10
Investigate Vibration	12
 Think Like a Scientist Plan and Investigate	14
Light	16

Light to See	18
Investigate Light and Dark	20
Shining Through	22
Blocking Some Light	24
Blocking All Light	26
Reflecting Light	28
 Think Like a Scientist Plan and Investigate	30
People Communicate	32
Investigate Communicating with Sound	34
 Think Like an Engineer Design a Device	36
 Science Career Photographer	38

Life Science

Interdependent Relationships in Ecosystems	40
Structure, Function, and Information Processing	40
Plants	42
Roots, Stems, and Leaves	44
Flowers and Fruits	46
Investigate Plants and Light	48

Investigate Roots	50
Life Cycle of a Tomato Plant	52
Young Plants Look Like Their Parents	54
Plants Can Be Different	56
Take Another Look	
How Are Plants Alike and Different?	58
NATIONAL GEOGRAPHIC LEARNING Think Like a Scientist Make Observations	60
Animal Parts	64
Animals See and Hear	66
Animals Grasp	68
Animals Protect	70

Life Science (continued)

Animals Move	72
Animals Find What They Need	74
Animals Take in Food, Water, and Air	76
Animal Senses	78
 Think Like a Scientist <i>Case Study</i> A Better Train	80
 Think Like an Engineer Design a Solution	84
Hear Me	86
Warm Me	88

Carry Me	90
Protect Me	92
Take Another Look Meerkat Teachers	94
 Think Like a Scientist Look for Patterns	96
Young Animals Look Like Their Parents	98
Different Dogs	100
Take Another Look How Are Animals Alike and Different?	102
 Think Like a Scientist Make Observations	104
 Science Career Conservationist	106

Earth Science

Space Systems: Patterns and Cycles	108
The Sun	110
Day and Night	112
The Sun in the Sky	114
Investigate The Sun	116
The Moon	118
The Moon in the Sky	120

Investigate The Moon	122
Stars	124
Star Patterns	126
Stars in the Sky	128
Patterns of Motion	130
Investigate The Night Sky	132
Seasons	134
Light and the Seasons	136
 Think Like an Engineer Make Observations	138
 Science Career Astronomer	140
